## Ode to the losers

"Know ye not that they which run in a race run all, but one receiveth the prize" & Paul, Epistle to the Ephesians

# State park maybe?

Last week's editorial pictures pointing out the sanitary fill at Jackson Ridge has brought the suggestion that with this "landfill" across the 16th section area at Jackson Ridge, might be suited to a county recreation area or even a state park. This is probably the largest public area left in Hancock County that faces the beach, and if the sanitary refill lives up to its claim of being the most sanitary, the fitness of the area will be greatly diminished. Waveland has already shown interest in setting a small boat harbor or loading camp there.

This area could lend itself to camp sites, picnic tables, barbecue pits, comfort stations and other attractions of a state park. Whether the shallowness of the water in that area permits a boat ramp is something those in the know would have to explore.

In any event it seems to us that the main  
merit of the attention of public officials and  
leaders in Hancock County

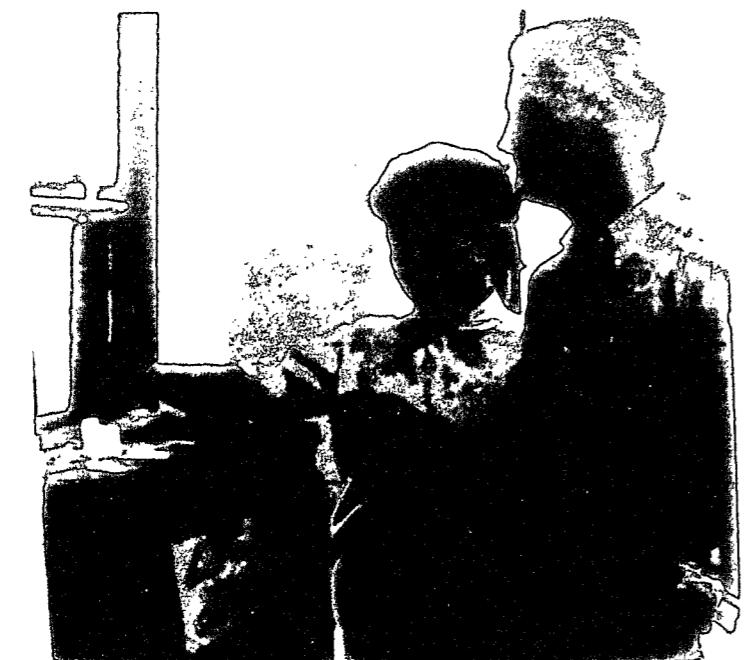

# Need more money

Next week the Hancock County United Fund begins its annual drive with a solicitation of business houses for special gifts. The solicitation of individuals will not get underway until October.

For the last two years, the one-shot objective drive by United Fund has succeeded in raising the amount budgeted for individual agencies. The United way of giving has proven its value in not only reducing annual solicitations but also in man power use.

We do not mean to be pessimistic but it seems to us, there will be a long pull to reach this year's goal of \$21,000 up \$2,500 from last year. This is the largest yet attempted and is partially due to the addition of a new organization, Bay St Louis Dixie Youth Baseball, Inc. making a total of nine participating agencies. At the same time the budget has been raised there has been a lessening of employes at Mississippi Test Facility and this source, including corporate gifts for the past three years has contributed approximately one half of the county's budget.

One sure way to take up this slack is for individual and local businesses to pull in their collective belt slightly and give more generously.

## Eddie's angles

by Eddie Engelhorn

Only a few sports went fishing last weekend, the rest were busy building arks.

The sun came out for a while Saturday morning and we understand a few hardy souls managed to get some fish in the Jordan River but old Jupiter Pluvius soon put a stop to that. The water is still good in the river but if it keeps pouring like it has been we'll be out of luck for a week or two. Anyhow, the best fall fishing doesn't start until the end of September.

### HNC coach is interviewed

Continuing our Gulf Coast Conference football roundup, last week we interviewed North Central's new coach, Pat Morris, who is bravely facing a real tough schedule with a team of only 18 men - but 12 of them are returning lettermen and will cause trouble for the more favored teams.

Second game in the Hawks' schedule is against St. George Springs a team that has dominated the conference for the past three years and is again an overwhelming favorite this year. They also have 12 returning lettermen, including Robert Parker, John Hallie and Doug Grier.

THE WEBBERS FOUND GERRY LANE OPEN AT NIGHT  
WHEN THEY REACHED HIS DOOR AND HE COOKED  
THEM A SPOT

We live in Gautier and have been hearing the advertising and our friends talk about Gerry Lane Chevrolet. It seems that they are trying real hard to live up to their motto. "The only deals we make are the ones we don't know about". We drove over one night and found them open and ready to do business when everyone else is closed. We were so impressed that we bought our new Chevrolet and I love it home.

### Hawks rate low in polls

In the preseason poll of football coaches in the conference, seven voted for Ocean Springs to finish first and one for Stone County. Bay High was rated third. However, Harrison Central, St. Martin, Pass Christian, Long Beach and North Central in that order.

The Hawks' 18 stalwarts are Dennis Peterson, 1st, defensive end; quarterbacks Donald Lee, Eddie Lissner, Eddie Puzicka and Robert Wilkerson; halfbacks Jay Warner, Frank Lindy Anderson and Douglas Wilkerson; ends James Lissner and Larry Smith; tackles Joseph Lee, Gary Lander, Gerald Neraise, Ian Fletcher, Bruce Linn and Hugh Underhill; guards, and Travis Moore, center.

These lads face the almost impossible task of defeating the much larger and more experienced schools in the conference but anything can happen at North Central and usually does.

Schedule is Sept. 4, Sumrall, home, 15; Ocean Springs, home, 22, at Stone; 26, Bay High, home, Oct. 6, at Long Beach; 13, Harrison Central, home, 20; Pass Christian, home, Oct. 22, at Vicksburg; Nov. 3, open; 10, St. Martin, home, 17; East River Central, home.

### Team building starts at VJC

At Valera C. Jones, Coach Willie Bradley faces the task of rebuilding his backfield and is counting on a big, powerful line to see him through. The Tigers open Sept. 8 at Laomontia, and play their first home game on Sept. 23 against Purvis.

Lost are Joseph Lemay, speedy halfback who was conference champ for two years in the quarter mile run and is going to Oillard University, a New Orleans on a track scholarship. Ronald Atlow, Robert Williams, Preston Launer, James Peters, Robert Williams, quarterback, Harold Bell, Albert Lee, Randolph Michum, Cleonard Pruitt, Albert Parker, and Gerald Williams. Must made all-South Mississippi Conference and virtually all-area athletic scholarships.

And to add to Bradley's woes, Troy Haynes, who scored 12 touchdowns last year, is out with a broken neck.

### Back again to serve

But returning to the lineup are Lonnie Jordan, 125, at fullback, converted from tackle; Robert Jackson, 157, who scored eight touchdowns at end last year; Edward Whavers, 159, halfback; co-captain Amidas Collins, 185, tackle, co-captain Paul Jordan, 193, tackle; John Lee, 165, center; Larry Peters, 190, another co-captain and all-conference for the last four years; Curt Fairconnette, 206, tackle; Thaddeus Jackson, 194, tackle; Ivory Gillum, 150, end; David Carr, 136, end; and Joe Collins, 172, guard.

Rookies showing promise are Alphonse Shepard, 145, halfback; Peter Mosley, 170, center; Glen Maurice, 145, guard; Thomas Hawkins, 160, fullback; Winston Whavers, 155, end; Denis Favre, 175, tackle, and C. Curry, end.

The Tigers were runners-up in the SMAC last year with an 8-2 record and should rate fourth this year in the preseason poll.

### To predict in a P.S.

Just to prove we're not chicken we're picking Minnesota to cop the American League pennant and St. Louis to win the World Series.

## Births

Hancock General Hospital reported two births this week. Mr. and Mrs. Michael Ralph Mirel, a boy born Aug. 27 weighing six pounds, seven ounces, Mrs. Mirel is the former Norma Marie Nosalce. Mr. and Mrs. John T. Rawl, a girl born Aug. 26, she weighed six pounds, 12 ounces. The mother, Mrs. Esther Miller, is from the airport.

(Cont. from Page 1-A)  
ville, the Association's special Washington legal representative.

He general counsel of the administration and said that AA's representative would contact the local group to explain the specific aims of funds for the individual program. He also will work with the committee in the development of a realistic timetable under which an agreed toward meeting the requirements for project approval and grant agreement, he said. "In allowing these funds the AA has taken the responsibility of representation contained in your request about local funds and our tentative schedule for getting this work underway."

After a series of liaison meetings with some of the men taking part in the discussion in its attempts to secure the longer runway, an additional \$44,000.

After gently rapping knuckles for seeking public hearings, as proposed by the Mississippi Aviation Authority's Commission, known as the AA and suggested as being illtimed by Congress, an older, wiser man, difficulties are being experienced in obtaining funds because of the demands of the Vietnam war.

He suggests beginning construction on the 4,500 foot runway at General Aviation Airport and seeking a further 2,000 foot runway extension "in the fall of 1969."

After questioning the actual needs of proposed airport users

beyond the 4,500 foot runway length, Wynn again stresses the importance of "begin now add later" type operation.

He says several airports around the state have been constructed on a build as you go program without any detriment to the final utility of the facility.

Unless a special session is called the port and harbor group is not scheduled to meet again until Sept. 14.

I work in Mobile and live in Gulfport. I needed a picking as an old 1963 had about seen its better days. I went over to see my banker about finance and he looked at my prices that I had and told me heck around some more. Another friend of mine had recommended that I drive over to Bay St. Louis and see the new Chevrolet Dealer and am I glad I did. I saved several weeks work in the difference in the price paid. Your Moon is top notch in my books.

JOSEPH HERDON FOUND A DEAL HE COULD LIVE WITH AT GERRY LANE'S CHEVROLET.

had been shopping everywhere for the past three months. Gerry Lane came up with a deal I could live with. I know his service and Herb Baron convinced me their service, in the best on the coast. I appreciate the cooperation of Gerry and "curb service" at my station on all arrangements by Herb Baron.

NORTH CENTRAL TEACHER SOLD AFTER DEMONSTRATION RILE IN SFD IMP 414

I teach school at Hancock North Central. We have a car pool that commutes daily from the Bay St. Louis area. After shopping around several dealers over the past two months I found the best price right here at home at the all new Garry Leno Chevrolet. The new Impala I bought has air conditioning. After a demonstration ride and testing the difference between a car with air and one without, I don't know how I ever committed to work without it.

Dave Sloan on the left and Walter Beane on the right really lived up to the motto of our new Chevrolet Dealer. "The only deals we make are the ones we don't know about".

MRS. THOMPSON WAS SO IMPRESSED WITH COURT'S SERVICE ON OLD CAR THAT SHE DECIDED TO BUY A NEW ONE.

I came in for service on my old car and was impressed with the courtesy and service. I said then I would buy my new car here when I wanted one.

Mark Davis kept trying until he found the exact car I wanted. I had to have insurance because it showed me up and warned me, I believe the vibrations of life are the way existence of life. The vibrations I received were warm and caring. For those who believe in Thesigraphy and Black Oxide I would recommend you try Mark Davis and Coastal Creditors.

The boys, in turn, planned a replica of awards on their parents, to acknowledge their assistance, encouragement and guidance. Parents and boys are,

**EULIA MCARTHUR'S TOLL OF GERRY LANE'S DEATH BY HER SON AND DAUGHTER**

My son and daughter have been dealing with Gerry Lane Chevrolet for some time now. They and other people have told me about the fine way they treat people. This means a great deal to me and when I needed a car, I went down and saw John Gallagher and bought my car. They were everything that I had heard.

## 'Barefoot'

greeters told

Hock has been named for the Little Theater's production this week of "Barefoot in the Park."

Greeting theatergoers at opening night tonight will be Mr. and Mrs. Andy Dooley, Mr. and Mrs. John Etorn. Welcoming them Friday evening will be Mr. and Mrs. Jim Achman and Mr. and Mrs. Terry Feeney.

At the door Saturday will be Mr. and Mrs. Watson Johns and Mr. and Mrs. Joseph Marochino.

Curtain time is 8:15 p.m. establishment explained raising beverage prices because they wanted to keep the head yesterdays out. How about that? We have a feeling they'll be singing a different tune after Labor Day when tourist trade slackens off.

Elaine Shaw was one of the few fortunate ones who obtained personal autographs of the famed Blue Angels, when she and her parents Louisa and Vern recently attended an air show near their Everett, Wash., home.

**SIGHTS AND SOUNDS**  
ALONG THE WAY-Sun hungry tourists frantically digging to their cars as daily masses descend; a military red ball, apparently deserted on its owner fled the road derailed road; colorful game chickens pecking away along Central Avenue (call Railroad to your reporter); and the depressing drip of rain drops, sounding spatter, ground-coaling and much too steady.

## And another

August seems to have replaced June as the month for brides. Another big wedding was that of Dianne Griffon to Donald Quigley, which was celebrated at high noon Saturday at St. Paul's Catholic Church in Pine Christian. Dianne wore a beautiful white gown with elaborate train and her attendants floor length dresses were all in a soft shade of pink with matching headress. Her mother Catherine (Mrs. Wimp) Griffon, the former Catherine Chadwick of Waveland, wore beige; Mrs. Quigley, blue. The reception was held at the Griffons' Beach Blvd. home. Just a few of the Hancock County guests included Louise Lynch, Emalda and Gerald Price, Kitty and Olga Mollere, Hazel Herlihy, Nore Morere, Bert Kleininger, Jewell Tlemann, Jeodie (Mrs. Henry) Lafargue who never missed a family gathering and many, many others.

Harmon (Mac) McAll left Saturday for a trip to Saigon and similar hot spots worldwide.

Lillian and Joe Griffin entertained at a large oyster barbecue at their new Beach Blvd. home Saturday.

## Animal notes

Sad news this week—Quasimodo, our little Basenji friend's year old puppy was struck and killed by an automobile while her owner, Mrs. James Wheeler, looked helplessly on. The little animal, who was never allowed outside of her fenced back yard, stepped through the door and Mr. Wheeler was in pursuit when the accident occurred. And making matters even worse, the driver of the old model stationwagon which hit Quasimodo didn't even slow down after hitting her.

## Fishing deal

Jack Kramer has fished all day and night on his two boat vacation. His side-kick, Camille Sheaffer, managed to get in some of the fun.

Blair Johnson has a new gimmick. He'll reveal his secret red fish angling spot for an extra buck, and then only to those who purchase an automobile from his Best Auto Sales during the period.

## Gripe corner

We've been requested to register a gripe which seems to be quite legitimate. All newly married Bay area residents are going to have to get their children to school as best they can as provided for buses have been made, and it's going to work quite a hardship on many one-car families and working mothers. (EDITOR'S NOTE: That's the case now.)
